Monday early in the day yesterday, the body reconsidered its action behind the closed doors of an executive session.

In some quarters it was suggested that the torpede thrown by Mr. Butler, of South Carolina, in the shape of an amendment to the Bank Circulation will repealing the State bank tax, had alarmed the Senators, who desired speedy action on that measure, and, fearing that the amendment might carry and thereby cripple the National bank system, unless full time were given to point out the dangers it in-

Justice Abbett said in delivering his charge, that the question presented under the indictment, was to ascertain whether or not the defendant was guilty of administering to her son mercurial poison, which caused his death.

"The case is one of the gravest importance," he said, "both to the administration of justice and to the defendant. If the party is guilty justice demands a conviction, while if she is innocent you must acquit her. "In considering this case you are teliminate from your mind all sympathy and prejudice, if any exists, You are not to take into consideration the heining ousness of the crime. a Touraine Brings 5,741,900 Francs in Gold from Europe.

The increasing gold movement to this direction and the prospective heavy arrivals of specie from Europe during the coming week has resulted in a de-clining demand for currency, and rates paid by the money brokers to-day showed a slight falling off from the pre-

miums which ruled yesterday.
Several firms of brokers, however, are miums which ruled yesterday.

Several firms of brokers, however, are still advertising that they will pay a premium for currency of all kinds, and those calls are still meeting with a ready response. The offices of three dealers were well patronized this morning, but the highest premium which they could get for their packages of hills was 1.3-4 per cent, as against 2.1-4 to 2.1-2 per cent, yesterday.

At the latter figure those who needed the money to make up their pay folia for to-day were able to secure the requisite supply, and as a result the demand this morning was less urgent.

Business at the Stock Exchange was almost at a standstill, but the little that was done was at improving prices. Few stocks were pressing on the market, and as the smaller shorts were timid a general advance ensued. General Electric rose 1.3-8, to 39.1-4; Western nion 1, to 76.7-8; Distillers 5-8, to 19.3-4; Lake Shore 1-2, to 113, and Chicasio Gas 1-2, to 49.1-2.

J. and W. Seligman & Co. shipped 59,090 onnees of silver and 30,000 Mexican dollars; Handy & Harman, 75,000 ounces of silver, and Haskler, Wood & Co. 35,000 ounces on the steamship Aurania, which left for Europe this morning.

The imports, exclusive of specie, at the pert of New York for the week were \$7.573,874 of which \$2.457,000 were day goods and \$8.56,134 general merchandisa.

The steamship La Touraine, which arrived from Havre this morning, brought 5,741,900 francs in gold.
